**Teacher Trainer:** Sheila Corwin  
and Pietro Antichi

Florence | August 07th - August 18th 2023

In this 55-hour course, the participant learned how to enrich their teaching through the incorporation of CLT methods and task-based learning, and through the use of authentic materials. They discovered new ways to tailor their teaching according to the needs of their students and with regard to current language teaching approaches. In the second week, the participant gained crucial knowledge on ICT in education in order to implement technology in their classroom, besides discovering an array of ideas on how to apply new teaching strategies to boost high-order skills in students.
